<sup>1</sup>“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

<sup>2</sup>“Graduates employed in the field” means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program. For occupations for which the state requires passing an examination, the period of employment shall begin within six months of the announcement of the examination results for the first examination available after a student completes an applicable educational program.<sup>b</sup>

<sup>3</sup>Salary is as reported by the student. Not all graduates reported salary.

\*” Because of the changes in the Bureau’s reporting regulations, which became effective on July 14, 2016, this institution was not required to collect the data for its 2015 and prior graduates”.
